Dear Sir:

Out of perhaps an overabundance of caution, the Applicants herewith submit the actual Japanese patent applications for two references cited in the Supplemental IDS (PTO/SB/08A), page 2, cite nos. DE and DF, mailed January 21, 2005, which were English translations for the two Japanese patent applications. The Applicants have correspondingly labeled the two Japanese patent applications as DE1 and DF1, and request that the Examiner make these two references of official record in this application also. If a telephone conference would in any way expedite the prosecution of the application or if the Examiner has any questions regarding these references, the Examiner is asked to call the undersigned at (408) 446-7687 to discuss this matter.

Respectfully submitted,
